Commodore's Report

Dan Croy

Hi Everyone,

Its warming up and cruising time is here! Rainier Yacht Club has many events planned for the summer. I hope you all can attend at least one of them if not most of them. Here's a small sampling of the summer events:

July 1st Pot Luck at the club, August 5th Pasta Feed at the club, and many cruises. You should see more of this information later in this Burgee. This is a good time to remind everyone that motorized activities (dinghies with outboard engines) are discouraged inside the wagon wheel except for the bar boat, raffle boat, and individuals entering/leaving the circle. We have a lot of young people in the water most of the day and don't want to create a potentially unsafe situation.

One of our members (Gene Rubbert) is looking into getting a Boating Safety class for the membership. If you're interested in attending, please let Gene know. He's also inquiring about a "Navigation" class.

Please remember to support our annual advertisers over the summer if you have an occasion to utilize their services.

It is with regret that I announce the application for withdrawal of Bob Greenreich and Peggy Greenwood. They have sold their boat and I believe I can say with confidence that we will all miss them.

Have a great summer; see you on the water.

Greetings! The change of watch transition has gone smoothly and I am off and running! We would like to take this opportunity to extend a heartfelt thank you to our Vice Commodore Tom Neal and Chris Neal for making this transition very smooth. I look forward to serving the Rainier Yacht Club and thank everyone for your overwhelming support!

We have a great evening of entertainment planned for the upcoming Potluck on July 1, at 6:00pm. Bring your meat as the BBQ's will be fired up! ! The evening includes a mini silent auction! Already we have a variety of terrific items to bid on that were donated by friends of the Rainier Yacht Club. This event is co-chaired by our Fleet Captain Dennis Voss. Please let us know if you can join us!

Help Improve Our Club's Website - Richard Frisch

Hi everyone! Just a reminder to all you boating and camera fanatics. If you'd like to share your photos with the rest of us, and the world, then why not send them to me and I'll post them on the Internet at the RYC website!

Here's how easy it is..... If you have a digital camera, simply download the files off the camera to your hard drive and then include them as an attachment in an E-mail to me at either: PYROCITY@AOL.COM or PYROCITY@NWLINK.COM . If you are still using the traditional film type cameras, simply send me your

favorite prints, and I'll scan them, I'll do my absolute best to return them to you. Of course you can always hand them over to me in person at a club event or dinner meeting. No cameras please. Have questions???? Call me at home in the evenings. Look me up in the RYC annual.

P.S. Know anyone who'd like to buy a "Perfect" 1973 Harley-Davidson motorcycle? She's got all her clothes on and all hopped and ready to fly like the wind! I've had her for 30 years and am RELUCTANTLY putting her up for sale: \$15,000.00.

Other Club News: We hope P/C John Brady is improving after injuring his shoulder.

It was great to see P/C Bob & Jewell Kramer, dedicated members for many, many years, at our last meeting. We wish them well in their new home in eastern Oregon and will miss them.
