Commodore's Report
Dennis Voss

My term is coming to an end as the club's commodore and I would like to extend a heartfelt thanks to all of those that have supported me, the bridge and the club. Rainier is an awesome club and I have felt honored to serve as a bridge office and look forward to my term as a board member in the coming year.

I would like to extend a special thanks to Tim and Sandy Subert for all their hard work on building the "Yellow Submarine". Even though we did not place, Rainier's spirit showed through. Marlene and I feel it was the best float on the water and we have heard from other clubs about how wonderful Rainier's float was.

We have a new bridge being inducted at the January meeting. The club will continue to be great with Richard Leonard at the helm and his right hand man, Tim Subert. Congratulations to the new officers, JR Harrison (Rear Commodore) and Richard Scott (Fleet Captain). Let's all show up at the Change of Watch dinner meeting and show them our support.

I look forward to continuing seeing all of you on future cruises and at club events.

Vice Commodore's Report
Richard Leonard

Since the last time I sat down to write we have traveled to Tacoma for Daffodil, placed 2nd in the Daffodil Marine Trivia, elected our new officers for 2007-2008, attended Opening Day at Seattle Yacht Club and hosted May's WIC Luncheon. This has really has been a busy time for all at RYC. It was truly a great time as always in Tacoma and I want to thank everyone for all you did from boat decorating, parading, setting up hospitality gathering and partying. Thanks Marlene & Sandy for your part in dressing the club token it was hip! Again, I also want to thank

Jerry La Russo & Joanne for providing their boat to parade our club officers. Now Opening Day, Tim you were spectacular with the Yellow Submarine design, we know we were #1 with our club and with many on the parade route. Again thanks to everyone who participated in making opening day on "O" dock a great weekend. Our next boating outing will be Memorial Weekend Cruise to Bremerton. Thanks to Sam Olsson for his big part in coordinating this weekend event. I also want you to begin thinking about if you will be willing to participate in the Renton Rivers Day Parade on July 28th. We will discuss this at our June meeting.

Now as I finish, my last Vice Commodore report, it is time to say that our members due step up when called upon. Thank you, to all who will be representing RYC as Bridge Officers, Club Officers and Board Trustees this coming year. I look forward to your knowledge and experience as we attempt to lead our club during this time of growing expenses & club challenges. As a team I'm confident that we will be able to set and accomplish goals that will help strengthen our club. This team support especially includes all members of RYC, your help can be recognized & acknowledged via committee and constructive input. Your participation in board meetings will be encouraged and always welcomed.

I also want to thank Marlene for the great job she has done this past year publishing the club Burgee. Kristi again, thank you for stepping up and representing RYC with the WIC organization as well as all of you who participated and help set up for this years luncheon.

I look forward to seeing everyone at our change of watch dinner meeting on June 5th.

Rear Commodore's Report

Tim Subert

Hi everyone.

Well, the June change of watch meeting is coming up. I hope you all can attend. If you aren't on the permanent dinner list be sure and email us and let us know that you're coming.

If you didn't make it to Opening Day then you missed a great time. Your fellow Rainier members closed down the Seattle Yacht Club bar on Saturday night.

Our next cruise is Memorial Day to Bremerton so let's see how many boats we can get. Gig Harbor always has a lot of boats show up.

The summer cruising season is almost here, although you can't tell by the weather today (cool and raining). If you have a cruise planned, send out an email and let people know where you will be. Let's all try to get together on the water. Beach Music will be in Andrews Bay almost every weekend this summer except for when we are on vacation. Come on out and raft up for a few hours or spend the night. Everyone's welcome.

Hope to see you on the water.

Fleet Captain's Report

Sam Olsson

The RYC/GHYC Memorial Day gathering has been going on for many years, let's keep it fun for all. Introduce yourself to the members from GHYC and "extend a hand" so to speak to our dear friends.

Some things to remember:

1. Come to the registration table at the foot of the fuel dock upon arrival.
2. Bring and wear your name tag.
3. Sign up for one or two duties to help (some already have).
4. Bring plats and silverware (dinners only).
5. Please arrive between noon and 3:00 pm on Saturday (use channel 69 for slip assignments)

Some 17, 18 years ago I was your RYC Fleet Captain as this is my last report in my encore year, I have some reflections.

The internet has probably made communication easier, however, that communication is more distant and less personal. Our small club needs verbal member contact as well as email in order to keep communication going both ways. Please call the club's electives, as well as each other, to keep up the "esprit de corps".

Please give your full support to our next Fleet Captain, Richard and Cindy Scott, as you have given me.

Spring Cleaning June 22-24th

While the outside of our club is being pressure washed and painted, there is some work to be done on the inside too. If you are not into painting and ladders, come on downstairs and help sort out the stuff in the office and closets.

Help solve the mystery of the keys. (Do they fit any lock in the building?)
Please add the cleanup weekend, June 22-24, 2007 to your calendar
