Commodore's Report  
*Dennis Voss*

---

Boating season is upon us and the cruises are beginning. Marlene and I attended Heavy Weather at Bremerton and what a great party they threw. The event was well attended by many yacht clubs. Bremerton had a great theme (Bremahula) and it was apparent through the decorations, entertainment and food. I would recommend that Rainier consider attending this event next year and compete for the rubber clam shovel award.

Daffodil and Opening Day will be here before we know it. These are always two wonderful events to attend to start the boating season. Make sure you sign up with the Fleet Captain (Sam Olsson) to assure Rainier having spots at both events.

With all the events coming up we also need to keep in mind that we will need some members to step up and become involved either on the bridge as an officer or on the Board of Directors. A nominating committee is being formed, in the meantime if you are interested in serving the club, please let one of our officers know. The more people involved the more fun for the club.

Marlene and I are looking forward to attending our club's Commodore Ball this weekend. We hope to see all of you there.

*Happy St. Patrick's Day*

Can you believe it March was blown in and our Commodore's Ball is March 3<sup>rd</sup>. I look forward to see many of you as we show our appreciation for the time and efforts spent, by Dennis & Marlene, representing RYC. .

Again I want to point out that our change of watch will soon be upon us. We are still seeking volunteers to begin forming the Nominating Committee. We will have open positions on both the Board and Bridge. If you are interested in working on this committee, please let anyone of your Bridge Officers know. Also if you are willing to participate, as a Bridge Office or become a Board member, your current officers will be glad to answer any questions.

Shirley and I will be attending our last JO Ball the weekend of March 17<sup>th</sup>. We have had a great time meeting new friends and visiting other Grand 14 clubs. We both again wish to thank you for the opportunities too represent RYC. The trip has been fun, enlightening along with the growth of many new friendships.

Last of all, again, I want to encourage you to support our WIC representatives. Also if you did not pick up your 2007 club annual, at the last meeting, be sure to pick up your copy at the March 6<sup>th</sup> dinner meeting.

With early daylight savings time this year we will have longer spring days for boating.

Hi everyone. This weekend we attended the Seattle Yacht Club JO ball and had a terrific time. The theme was "Roman Holiday" (the movie, Gregory Peck, Audrey Hepburn) so almost everyone was dressed in tuxedos and gowns. The exception was the Pope and Mother Superior. Ask us about that sometime. The food was great, the band was great, and they had almost 100 of their own members attending. And they do know how to party, this was no stuffy affair. Afterwards we were invited out to "The Stolen Yacht" by a bunch of the crabs, so it was a long night. One more ball left this season and then it's time to think about nominations for a new Rear Commodore. If you're interested let us know. We'll be getting a nominating committee together soon. Believe me, this has been a lot of fun and Sandy and I are glad we did it. See you at the dinner meeting.

### **RYC Table Setup 2006-2007**

#### Rainbow of Tablecloths

We now have a large assortment of colored plastic tablecloths. The board asked me to order them online where I was able to get them for about \$2.00 apiece. This compares to almost \$3.00 at the store. The colors are: red, blue, green, yellow, orange, black, white and maybe purple. Please let me know what colors you'd like to use when it is your turn to do the table setup.

Thanks,

Sandy (just call me Martha) Subert
